Funded by donations from CBSCA member companies, CBSCA awards multiple scholarships in various amounts to deserving students each year. CBSCA member company employees, children of member company employees and students enrolled in an undergraduate degree program for industrial distribution are eligible to apply for the CBSCA scholarship.

About the CBSCA Educational Foundation

The CBSCA Educational Foundation was established to develop and administer the annual scholarship program at the undergraduate level to promote studies in fields helpful to copper and brass and/or industrial distribution.

Through the CBSCA Educational Foundation, CBSCA offers annual scholarships to:

- Employees of CBSCA member companies
- Children of employees of CBSCA member companies
- Students enrolled in an undergraduate industrial distribution degree program

About CBSCA

The Copper and Brass Supply Chain Association is comprised of Providers, the mills/producers/manufacturers, distributors/service centers, fabricators, platers, foundries, scrap/dealers and mines that produce red metals and the Affiliated companies that help the Providers serve their customers.
